

FloodWise Communities

Grant-funded stormwater vulnerability assessments for communities in the Gulf South.

Join us for an Informational Webinar!

THURS. MARCH 4TH - 12PM CT*

THURS. MARCH 25th - 11AM CT

*Rescheduled from its original date of Thursday, February 25th, 2021

Register for free at
FloodWiseCommunities.org

FloodWise Communities is generously funded by the National Academy of Sciences to partner with AL, FL, LA, MS, and TX communities to assess local stormwater system vulnerabilities to extreme weather events.

Tailored assessments are free to all participating communities.
