

DID YOU KNOW?

**Mississippi is the leading state in the US for
tornados and convective storms.**

*If you're a city leader, county leader or other
elected official, do you know what to expect
if your municipality is affected by a natural
disaster?*

*What is your role and that of other state
agencies, and how does coordination work?*

*How will insurers and others respond to
provide services for your residents?*

MAY 21-24, 2024
Beau Rivage
